# Zippety Zappy Zee

These three lovable finger puppets can be used to introduce and animate songs.

## Zippety

Zippety is a very kind and gentle mouse who always tries to be helpful, but he is very nervous, especially around cats. When he's worried he scurries about in circles!

## Zappy

Zappy is always cheerful. He never worries about anything, and is the friendliest zebra you could ever meet. He is always doing jobs to help Zee, but he is forgetful and not very organised. He is a zany character, and sometimes does crazy things!

## Zee

Zee the bee is wise and sensible. She is the one who advises Zippety when he's worried, and organises Zappy when he's got himself into a muddle. Zee is always very busy, and sometimes gets a bit cross with Zippety and Zappy because she's the one doing all the hard work and they just want to play!

The puppets are available direct from Starshine Music Ltd.
